Choose a Career, Impact Our Community

At **Stepping Stones**, you'll work with a dedicated team of passionate professionals who strive to help those we serve make improvements in their lives. We work with our clients as they face the challenges of day-to-day recovery and encourage them to develop who they are, seek independence and build confidence as they live in the community.

Testimonials:

“

I appreciate working for Stepping Stones because of their recognition of individuals as unique human beings who face challenges just like everyone else. When struggling, underperforming, or needing time to navigate life's complexities, they stand by your side, offering unwavering support. Their dedication to our clients' mental well-being mirrors their commitment to staff members' mental health.

– *Lashawna Shanklin, Managed Care Coordinator*

As an art therapist and licensed counselor, Stepping Stones of Rockford has provided me over two decades worth of opportunities to serve those with serious mental illness.

Thanks to the clients, staff and those who support our mission, I am afforded the chance to learn something every day. I still love coming to work every day, which is testament to how much the agency and clients mean to me.

– *Donna Addison, Art Therapist*
